

Personalised versions of our Kitchen Work Book now available.

Do you like the idea of our Food Technology & Hospitality Kitchen Work Book, but find that it doesn't quite meet the needs of your students and staff?

Introducing our new personalised versions that we can create and print to meet your EXACT requirements.

What do the personalised versions offer?

With our personalised versions, you can now:

- Add your school or TAFE crest, name and other details to the front cover.
- Update the contents of our practical templates.
- Vary the number of templates included in each book (we include 20).
- Tailor-make multiple versions of the book to meet the various needs of your students and subjects.

How do I order these personalised books?

- Just fax or email us the changes you require, together with the number of books you want to order.
- Email us your school crest (min 300 dpi) and any other details for inclusion on the front cover.
- We will then send you a proof of your personalised books and final costings for approval.
- Once we receive your approval to proceed, we will then print and dispatch the personalised books to you within two weeks.
